SUBJECT: Patent number 69733389 – Application number 09980163

To whom it may concern,

We would like to change the address for fee purposes

From time to time over the past 10 months we have tried unsuccessfully to request a change of correspondence address and to this date the change does not show in our account on your web site.

We resubmit all previous correspondence for your information.

We would appreciate if you could advise us when the change is made.

Very best rest regards
